Dear Sir:

RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT

This is in response to the Notice in the captioned application dated 4/28/2003. A revised copy of the Amendment filed 4/16/03 for filing under current 37 CFR 1.121 is enclosed.

As noted at page 1 of the Amendment previously submitted in conjunction with the RCE filing, all claims in the case remain as previously amended. There is no change to an existing claim and no claim has been added. Accordingly, the listing of claims which appeared at pages 2 and 3 of the earlier-filed Amendment was unnecessary.

In light of the foregoing it is submitted that prosecution can proceed under current 37 CFR 1.121 by simply removing the claims listing mentioned in the captioned Notice. This has been done in the enclosed amendment.

Entry of the amendment is respectfully requested.
